Project Status Update
Professor Ameet Talwalkar

Project status updates should be 1 page long and include the following:

• **Progress:** What have you accomplished since the project proposal? Are you ahead or behind the timeline you proposed? What have you learned and what obstacles have you faced?

• **Changes:** How, if in any way, has the scope of your project changed since the project proposal? What led to these changes? Please describe your updated timeline, deliverables, evaluation, data, software tools, etc.
