

ALLEN KLINGER

Professor of Engineering and Applied Science
University of California at Los Angeles
Los Angeles, CA 90095-1596
310-492-8858
klinger@cs.ucla.edu

EDUCATION

Ph.D., Electrical Engineering, University of California, Berkeley, CA.

M.S., California Institute of Technology, Pasadena, CA.

B.E.E., The Cooper Union, New York, NY.

EMPLOYMENT

Professor, University of California at Los Angeles, School of Engineering and Applied Science (prior positions as Assistant and Associate Professor).

Visiting Associate, Electrical Engineering, California Inst. Technology.

Researcher, The Aerospace Corporation.

Visiting Professor, Ben Gurion University of the Negev.

Visiting Assistant Professor, University of Hawaii.

ACTIVITY

Drawing, painting, sketching, and photography.

Races completed, 10 26.2-mile marathons and many at other shorter distances.
Created and maintained numerous bonsai, styled trees, and a Japanese garden.

Executive Committee: UCLA School of Engineering and Applied Science.
Consultant The Rand Corporation, The World Bank, Space Computer Corporation, Long Beach Memorial Hospital, L. A. Unified School District.

Expert Witness: twelve legal firms during a decade of such activity. Detail at http://www.cs.ucla.edu/~klinger/klinger_exper.html

Chair of IEEE sponsored workshops, conferences, and committee for ARPA.
Program Chair: the 3rd International Joint Conference on Pattern Recognition.

SELECTED BOOKS

Editor/Co-Editor: *Human Machine Interactive Systems; Data Structures, Computer Graphics and Pattern Recognition; Structured Computer Vision.*
Data Structures in *The Encyclopedia of Physical Science and Technology.*
Electrical Engineering in *Salem Press Applied Science.*
